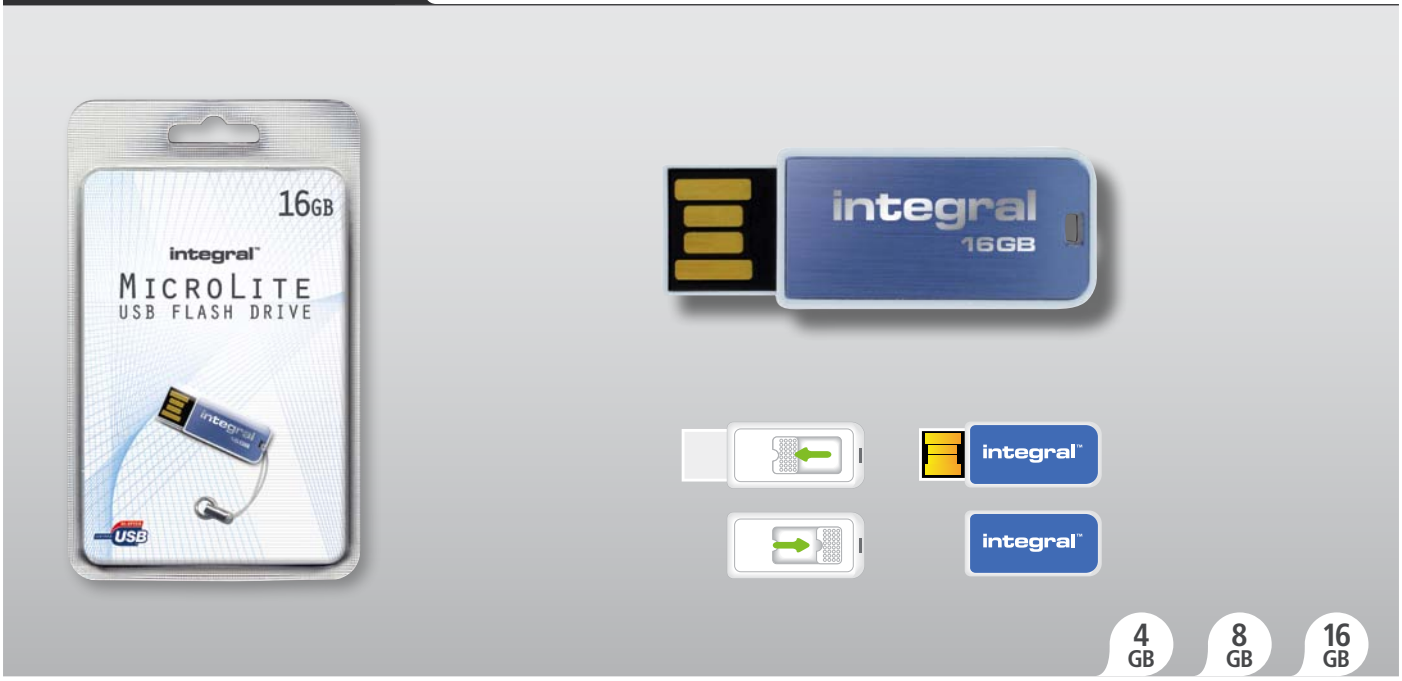
MicroLite USB



INTRODUCTION

The MicroLite Flash Drive is one of the smallest, lightest USBs available from Integral. Perfect for carrying your data and for use in the latest netbooks, laptops, home and car audio. MicroLite has a capless, slider design and is supplied with a key-chain.

FEATURES

- Compact model, ideal for use in netbooks, laptops, USB compatible home and car audio
- Small enough to fit on your key-ring
- Capless, slider design supplied with a key-chain
- Unique ID (optional) – The USB Flash Drive can be personalised with a designated company identifying name or number. This will allow a Network Administrator to block access to unrecognised USBs for security purposes, whilst allowing the Integral USB Flash Drive to function as the 'official' company drive.
